Pi State Educational Excellence Committee
About the Educational Excellence Committee

The Educational Excellence Committee (EEC) shall promote programs and projects for excellence in education. It shall identify long-term and short-term programs and projects that focus on topics adopted by the Society. The committee shall support programs of action that promote the personal well-being, intellectual growth, and global awareness of educators; encourage a focus on the Arts at State Conventions; and develop strategies that will enable Chapters to encourage members to become leaders.

The Committee shall urge Chapters to initiate, endorse and support desirable legislation and suitable endeavors in the interest of education and woman educators such as US Forum, CTAUN, Schools for Africa and Early Career Educators.

One of our tasks as an EEC team is to select and schedule workshops for the spring and fall Executive Board Meetings/Seminars/Conventions by developing a wide variety of workshops. Deadlines for submitting Workshop Proposals are November 1 for the Spring Executive Board Meetings/Seminars or Conventions and May 1 for the Fall Executive Board Meetings/Seminars. The application for Workshop Proposals is available on the Pi State website and should be submitted to Co-Chair Lynda DeLuca, ldeluca@stny.rr.com.

On the International Educational Excellence Committee link at www.dkg.org, there are ideas for programs that “advance excellence in education, empower women and increase global awareness.”

For further information, please contact Chair Karen Jones, Kjones20@nycap.rr.com or Co-Chair Lynda DeLuca, ldeluca@stny.rr.com or Co-Chair Lynne Eckert, leckert@stny.rr.com.
