

Website Compliance - Form 72

Hey there,

Thanks for your patience with all of us at the International HQ as we transition into the new biennium!

As the webmaster for your Chapter, you may know that at the beginning of every new biennium Webmasters are required to resubmit the Website Compliance Assurance Form (Form 72) so that your site remains linked on the International website.

This is just a friendly reminder that that the new submission period runs from **August 1st, 2024 through October 31st, 2024**. If you could please resubmit Form 72 using the most current version of Form 72 that can be found on the DKG website under "MyDKG > Forms > Website". You can find the form in the green box on the right-hand side of the page (*You MUST be logged in as a member to access the form*).

If you have any questions please let me know, but the form is pretty easy to get through. Just fill in the blanks and select options from the drop-down menus!

Note: Please make sure to review the "**Standards Guidelines for Compliance Checklist**" located on the "Webmaster Resources" page when submitting your form to ensure that you have seen any updates and that your site still meets these standards.

Let me know if you have any questions,

Ashley B.
