

## Continuing Teacher and Leader Education

### CTLE

Delta Kappa Gamma New York State Organization is collaborating with **Greater Capital Region Teacher Center (GCRTC)** as a provider of professional development for CTLE. “A Registered holder of a **professional classroom teaching certificate, educational leadership certificate, or Level III teaching assistant certificate** is required to successfully complete 100 clock hours of acceptable CTLE during the registration period...(<http://www.highered.nysed.gov/tcert/resteachers/ctle.html>).

The collaboration provides the opportunity to offer CTLE hours for Chapter, Regional and State Conferences. Also, our session registration and certificates of completion are being supported through the GCRTC. They are providing us with guidance as we traverse the CTLE process.

To be credit-worthy the Professional Development must meet a specific need of certificate holders. As you are thinking about future Chapter meetings and conferences keep in mind what current educators need in professional development. The workshops may be:

- content specific
- general pedagogy
- designed to meet the needs of ELL (English Language Learners) – must be close to 100% ELL

“Acceptable CTLE must be conducted through activities designed to improve the teacher or leader’s pedagogical and/or leadership skills, targeted at improving student performance, including but not limited to formal CTLE activities. Such activities shall promote the professionalization of teaching and educational leadership, as applicable, and be closely aligned to district goals for student performance” (<http://www.highered.nysed.gov/tcert/resteachers/ctle.html#acceptable>).

CTLE presenters must hold certification and/or have specialized approved training in the topic they are presenting. Resumes must be provided.
