Northern Area wants to welcome you to the Crowne Plaza Lake Placid, the site of our April 30-May 2, 2020 NYSO DKG Convention. As you can see from the photos above, the hotel and conference center is built in the Adirondack style on top of a hill overlooking the town and lake with a panoramic view of the surrounding mountains. There are many nooks and outdoor opportunities to just sit and enjoy the view while reconnecting with old friends. The Steering Committee is in high hopes that we will all be able to come together safely at Convention. The room block is open at this time and you will enjoy the great rates.

Lake Placid is a true vacation destination. The Olympic Museum is a short walk down the hill. The other Olympic venues are a short distance away and the town with its resort shopping is within walking distance. There will be plenty of information available on things to do and see in the area. Why not come early or stay late to enjoy more about the area?

Your EEC Committee has a well-rounded program of workshops for you to attend. You can see the listing in this issue of Pi Lights. Our International Guest is Second Vice President June Bowers from Nebraska. She will be our Friday evening Keynote Speaker and will also be presenting a workshop. Watch for details in future communications. She will bring us news and guiding information from International. It is also a wonderful opportunity to get to meet a member of your International Administrative Board.

On a personal note, my first non-chapter meeting of DKG was Jane Tanner's Lake Placid Convention in Lake Placid in 2003. How appropriate that we are back there now! It was that convention that inspired me to look beyond Psi Chapter and attend Area Council, State, Regional and International meetings. It is my hope that it will inspire others to do the same!
