

## City of Geneva Manager to Welcome DKG NYS Organization

*Sage Gerling*

**Sage Gerling, the City Manager for the City of Geneva, will be the opening speaker on Friday evening, April 26, 2019 at the DKG NYS 2019 Convention.**

As City Manager, Sage is charged with overseeing City departments and engaging community partners to collectively reach the City's Comprehensive Plan's Vision of a *Beautiful, Prosperous, Equitable, Connected and Sustainable* Geneva.

Sage manages the City's operations through the lens of the City's commitment to being a Triple Bottom Line organization, which focuses on *being socially equitable, fiscally responsible and environmentally sustainable*. Prior to this appointment, Sage was the Director of Neighborhood Initiatives for the City for six years overseeing community engagement, planning, neighborhood initiatives and community development.

An Austin, Texas native, Sage found the Finger Lakes when she attended Cornell University for her graduate degrees in Regional Planning and Landscape Architecture. Sage works, lives and plays in Geneva with her husband and two children. They love biking around the neighborhoods, being at the lake and enjoying life in the Finger Lakes.
