About the Communications & Marketing Committee

The *Communications and Marketing Committee* makes recommendations regarding communications and marketing for NYSO and helps to develop ways to promote communications within and beyond NY State. The Committee is responsible for assembling and preserving materials essential to the continuation of the history of NYSO DKG and for encouraging the writing and updating of Chapter histories, primarily through biennial Chapter Presidents' reports.

Goals of the Communication and Marketing Committee

2. Maintain a *Facebook* page for NYSO and its Area Councils
3. Nurture web creation among Chapters and Area Councils and assist them in designing and certifying websites by DKG International
4. Develop criteria and/or guidelines on content posted on *Facebook*
5. Explore the use of other platforms, including *Google*, to improve communication
6. Explore the use of hybrid meetings to stay connected with members
7. Encourage the use of electronic programs for professional research, feedback and planning such as Wiki, Survey Monkey and blogs
