

NYSO DKG Native American Grant(s)-in-Aid Renewal Application

The *Native American Grant(s)-in-Aid* is awarded to a Native American woman, attending a two- or four-year college who is planning to work in the field of education or other service-related field. She must have at least one Native American parent and be listed on a tribal role.

Originally started as a temporary project in 1967 to assist Native American girls who were hoping to enter the teaching profession, it has been a NYSO DKG Committee since 1975. Each grant may be up to \$500 per semester, renewable under certain conditions, for a maximum of \$4,000 over a period of eight semesters.

The renewal of any grant in succeeding semesters will be determined by the amount of available funds and:

1. Satisfactory progress indicated by grades and credit hours
2. A copy of grades of the semester just completed
3. Personal letter stating accomplishments of the past semester and verifying plans to continue in required field (*education or other service-related*)
4. Verification of enrollment in college for a new semester after the start of classes
5. Completion of this form.

All applicants will be notified whether they receive the grant or not as soon as selections have been made. Verification of enrollment must be received before the check for the award will be issued.

Please note: Incomplete applications will not receive consideration.
