***“Moving Forward with
Purpose and Passion”***

NYSO President, Jennifer Lee-Alden

The fire is warm in the fireplace as I sit nearby and compose this President’s Message. I have been reflecting on the year we have had as an organization. We began 2022 overcoming the obstacles of finding a new venue for our spring meeting when the Sheraton Syracuse was flooded. Our Officers, Elected Personnel and State Committee Chairs took the challenges in stride to prepare and present two outstanding in-person Executive Board meetings (April and October) filled with professional development workshops, awards and fellowship! We also offered several Virtual training opportunities for our new and returning Chapter Presidents, Treasurers and Membership Chairs. Area Councils have re-emerged post-pandemic with outstanding in-person area conferences, and chapters are again inviting Executive Committee members to attend their meetings and events. As women and professional educators, we flaunted our dedication and resilience in the face of adversity!

Sadly, some of our great members, including two past Pi State Presidents, **Dr. Maggie McCurry**, *Alpha Epsilon*, (1997-1999) in April, and most recently **Wanda Ward**, *Alpha Alpha*, (1987-1989) on November 18th, have passed away this year. A tribute to Wanda will be included on p. 17 of the online issue. We will honor Maggie and Wanda, along with other NYSO members who passed during this biennium, at our **Hour of Remembrance** at the 2023 Convention in Albany.

I hope you were able to spend a few minutes reading the recent issue of *Jen’s Gems* to get information about making your hotel reservation for the 2023 Convention. If not, please don’t fret - keep reading this issue for the most current information, including a reservation reminder, registration form and announcements about our Keynote Speaker and workshops! There is also information about a change of venue for the President’s Banquet on Saturday night, April 29th. This event will be held at Marriott Albany (3 minutes away) and the Desmond Hotel will provide shuttle service.

Please keep in mind, NYSO DKG offers many opportunities to recognize outstanding active and retired educators with our **Awards**, and members are eligible to apply for several **Scholarships and Grants-in-Aid**. We are fortunate to be one of the few educational organizations that offer financial support to members; so, I hope you consider applying or nominating another member for one of these benefits of our DKG membership.

By the time you read this message, the holiday season will have passed. I hope you enjoyed good health as well as treasured time with family and friends. ***Looking forward to connecting with you soon, either online or at our Spring Convention!***

*Warm Wishes,
Jen*

Bruce Coville

Bruce Coville To Be Keynote Speaker At NYSO DKG 2023 Convention

The Keynote Speaker on Friday, April 28 at the 2023 NYSO DKG Convention, is Bruce Coville. His speech will focus on *“how we as people who work with children affect the future in ways that it is impossible to predict, but that can be extraordinarily profound.”*

Coville was born in Syracuse, New York, in 1950. He grew up (supposedly) about twenty miles north of the city, around the corner from his grandparents’ dairy farm, where he spent a great deal of time dodging cows and chores. As a young reader he loved *Mary Poppins* and *Dr. Dolittle*, and still has fond memories of rising ahead of the rest of his family so he could huddle in a chair and read. He consumed lots of things that people consider junk (*Nancy Drew*, the *Hardy Boys*, *Tom Swift*, and zillions of comic books) but seems to have survived undamaged. His only real regret is the time he spent watching television, when he could have been reading instead. (*A mind is a terrible thing to waste!*)

His first book, *THE FOOLISH GIANT*, was published in 1978. It was illustrated by his wife, Katherine, whom he had married in 1969. This was followed in 1979 by *SARAH’S UNICORN*, also illustrated by Katherine. After a long period of working separately, the Covilles began collaborating again with *SPACE BRAT* and *GOBLINS IN THE CASTLE*, both published in 1992.

Before getting published, Bruce worked as a gravedigger, a toymaker, a cookware salesman, and as an elementary school teacher (second and fourth grades). He left teaching in 1981 to devote himself to becoming a full-time writer – though it took another five years to achieve that goal!

He has now published over a hundred books, which have sold more than eighteen million copies and won Children’s Choice Awards in over a dozen states. Among his most popular titles are *MY TEACHER IS AN ALIEN*, *INTO THE LAND OF THE UNICORNS*, and *JEREMY THATCHER, DRAGON HATCHER*.

In 2001 he founded Full Cast Audio, an audiobook company dedicated to creating unabridged, full cast recordings of the best in children’s and young adult literature. He has produced more than 100 audiobooks, working with authors such as Tamora Pierce, James Howe, and Shannon Hale.

He now resides in Syracuse, where he lives with his wife, his daughter, and his granddaughter. And he continues to write.
