About the Travel and Study Stipend

The *Travel and Study Stipend Committee* will award travel and study stipends to active and retired educators and promote interest in Society Seminars, Conferences, Regionals or Conventions.

No one award is to exceed \$1000.00 and effort will be made to present one stipend to a retired member of the Pi State and one to a Pi State member currently employed in the education profession.

All sections of the application must be completed in order to be considered. This application is due March 1, 2016. The application is available on the Pi State website.

Goals of the Committee

1. To encourage all Pi State members (*including Executive Officers and State Committee members*) to apply for the Travel and Study Stipend
2. Hand out the new brochure to all chapters to encourage application for this award.
3. To encourage the recipients to share their experiences in an article for *Pi Lights* as well as Chapter, Area and State meetings.
4. To motivate members who are first-time participants to attend Regional and International Conferences
