About the NYSO Scholarship Committee

The *NYSO Scholarship Committee* is here for **you**. This Committee promotes interest in and support for scholarships both at the State and International levels in keeping with one of the seven purposes of the Delta Kappa Gamma Society: to endow scholarships to aid outstanding women educators to pursue graduate study. We have expanded that to include other educational goals.

Through the generosity of past NYSO members' bequests and the interest accrued from them, as well as Chapter and member contributions, there is money available each year so that the NYSO DKG can offer several scholarships. These scholarships are available for graduate study, research, enrichment study, continuing education, master's degree study, doctoral degree study, Road Scholar (*created by Elderhostel*) travel and National Board Certification.

The Scholarship Committee administers the A. Evadna Crawford, the Phoebe Mersereau Eldredge, the Georgia I. Hartmann, the Jeanette Johnson, the Edna B. Mack, the Jennie Snapp, the Ruth E. Williams Scholarship and the Iona M. Keeler Funds.

Applicants must be active members in good standing for at least 3 years.

Applications must be postmarked by February 15. The application is available on the NYSO DKG website. For further information, contact **Dr. Margie Lovett-Scott, Scholarship Chair at mlovetts@brockport.edu.**

Goals of the Committee

1. To inform women of the availability of NYSO Scholarships
2. To create application and rating sheets which are practical and updated
3. To identify and select scholarship recipients who are key women educators and who will represent the Delta Kappa Gamma Society in a positive manner
4. To support the sharing of information by scholarship recipients in a *Pi Lights* article within one year of receipt of the scholarship
