About the Verna Mulholland Friend of Education Award Board of Trustees

The *Verna Mulholland Friend of Education Award Board of Trustees* is part of the Committees Subject to Endowments. The Committee is charged with seeking, reviewing and recommending a nominee for this Award on an annual basis.

The Committee was established in 1982 in memory of Verna Mulholland, Past President of *Alpha Phi* and Past Pi State President. In 1982, she and Gladys Mersereau were planning the State Convention to be held in Lake Placid at a future date when they were both killed in a car accident. She envisioned giving an award to someone who made an outstanding contribution to education but wasn't eligible for membership. She hoped the publicity that would come from

giving this award to a well-known person would increase the visibility of DKG. Early Award winners were Beverly Sills and the first woman to win a Nobel Prize.

The *Verna Mulholland Friend of Education Award* is a plaque celebrating the recipient's contribution to improving educational opportunities of others and to promoting quality education. There is a stipend along with the Award not to exceed \$300 to cover the recipient's costs incurred in participating in the Award ceremony. The interest from the Fund's base of five thousand dollars (\$5000) is used for the monetary stipend. The Fund is maintained by voluntary contributions. The Award is presented at the spring Pi State Executive Board Meeting/Seminar or the Pi State Convention.

The nominee for this Award shall be a woman from New York State who is NOT a member of The Delta Kappa Gamma Society International and is not eligible for membership in the Society, but rather someone outside the profession who has worked significantly toward improving the educational opportunities of others and who has given outstanding service to promoting quality education.

Nominees for this Award may be submitted for consideration to the Board of Trustees by any Chapter or member of NYSO based on State Standing Rules. Nominations of women who do not receive the Award are kept for consideration the next year.
