

THE PI STATE  
EDUCATIONAL FOUNDATION  
LITERACY SCHOLARSHIP  
IN HONOR OF AGNES BECKER

**APPLICATION FORM**

The mission of the Pi State Educational Foundation is to encourage educational excellence relating to literacy and learning. The Pi State Educational Foundation Literacy Scholarship is intended to further the recipient's knowledge and understanding of literacy and apply that learning in their work with students. This may be accomplished by attendance at college courses, workshops, conventions, seminars, trainings, and/or conferences. This list is not intended to be all-inclusive. Any forum that deals with learning about literacy may be considered for scholarship funding. Please remember that literacy crosses into all academic fields—math, science, social science, music and art, to mention a few, as well as language arts.

All sections of the application must be completed in order to be considered. This application is due February 15.

The applicant must be a lifetime member of the Pi State Educational Foundation for at least one (1) year. Since education is a life-long process, both active and retired members are encouraged to apply. Scholarship winners will be expected to share their experiences with DKG sisters at either state or area meetings or conferences as a requirement of their award.

The scholarship may not exceed \$1000, and the recipient is responsible for providing receipts for all expenses. Receipts for expenses to be covered must be submitted to the Foundation treasurer within 60 days from the completion of the experience for which the scholarship is granted. Allowable expenses will include tuition, registration, books and materials, mileage and tolls. Housing and meals may be considered, depending on the funds available.
